

MATH 210 SYLLABUS

SPRING SEMESTER 2014

Instructor: Dr. Coomes

Office: UB 435

Telephone: (305) 284-6987

Email: coomes@math.miami.edu

Office Hours: MW 2:30–3:30 p.m., F 2:30–4:30 p.m. and by appointment

Text: “Introduction to Linear Algebra,” fourth edition by Strang

We will cover chapters 1–6 of Strang and possibly chapter 7 with occasional sections omitted.

CLASS POLICY

1. Class attendance: Students are expected to attend class regularly. If absent, please notify me by telephone or see me the day you return to class. Lecture will not be repeated for those who are absent. Obtain class lecture notes from a member of the class. I will answer any particular questions over material missed.
2. Homework: Homework should be kept in a notebook. Some class time will be devoted to answering questions from this homework.
3. Grading: Grades will be based on three one hour exams (100 points each), at least one quiz (20 points each), the final exam (200 points), and homework. Homework will be collected on the day of each exam. I will drop one exam. A make-up exam will be given only if the exam is missed because of a University approved event.
4. Academic Dishonesty: University policy.
5. Help: Please feel free to call me or see me at any time if you are having trouble solving the problems or understanding the course subject matter.
6. Exam Dates:
 - Exam I: Wednesday, February 12;
 - Exam II: Monday, March 24;
 - Exam III: Wednesday, April 23;
 - Final Exam: Wednesday, April 30, 2:00–4:30p.m.
