Description:

In this course we will study calculus in several variables. We will cover chapters 10–13 of the textbook. Most of the material will be presented in a manner consistent with the presentation in the text; however, some may not. Take notes!

Homework:

Each week I will assign some homework problems. The problems will be listed on the course webpage, whose URL is listed above. No late homework will be accepted. Your lowest homework grade will be dropped.

Exams:

There will be two midterms and a final exam. The dates for the midterms will be announced several weeks in advance. The date and time of the final exam (as listed at https://registrar.miami.edu/_assets/pdf/final-exam-fall-2023.pdf) is: Thursday, Dec 7, 2023 from 11am to 1:30pm (in the usual classroom)

Grading:

Homework is 25 % and each exam is 25 %.
