Textbook:

- There is no textbook for the course. I will post lecture notes and assignments on the webpage.
- For further reading I recommend *Introduction to Linear Algebra*, by Gilbert Strang
- Professor Strang's lectures are also available on the web.

In Class Assignments:

- Weekly Homework due at the beginning of each Friday's class. You may collaborate with me and with each other but solutions must be **explained in your own words**. Points will not be given for identical copies. No late homework will be accepted.
- Weekly Quiz at the beginning of each Monday's class. This will be a timed quiz that you submit electronically. You must complete the quiz without any assistance.

Grade Breakdown:

Your grade will be based on weekly homework and quizzes as well as a final project:

Homework	40%
Quizzes	40%
Final Project	20%

Honor Code:

Collaboration on quizzes is strictly forbidden.
Refer to the University of Miami Undergraduate Honor Code.
