**Course Webpage:**

Course information and assignments will be posted here:  
<http://www.math.miami.edu/~armstrong/224sp18.html>

**Office Hours:**

TBA

**Textbook:**

I will use my own online notes as a textbook. For supplemental reading I recommend *John E. Freund's Mathematical Statistics* (any edition) by Miller and Miller.<sup>1</sup>

**Homework Policy:**

Bi-weekly homework assignments, usually due at the beginning of Thursday's class. You may collaborate with other students but solutions must be *explained well in your own words*. Points will not be given for identical copies. No late homework will be accepted.

**Grade Breakdown:**

Your grade is based on homework, 3 in-class tests and the final exam:

Homework	20%
3 In-Class Tests	50%
Final Exam	30%

**Test Policy:**

Collaboration on exams and tests is strictly forbidden. If copying is detected between two exams/tests then both exams/tests will receive a score of zero. Further issues will be referred to the Undergraduate Honor Council.
