**Textbook:**

No textbook is required. I will post my own lecture notes on the webpage. For reference I recommend *An Introduction to Mathematical Thinking* by Gilbert and Vanstone.

**Homework Policy:**

There will be a homework assignment due approximately every two weeks. You may collaborate with other students but solutions must be *explained well in your own words*. Points will not be given for identical copies. No late homework will be accepted.

**Grade Breakdown:**

Your grade will be based on homework and three in-class exams:

Homework	25%
Exam 1	25%
Exam 2	25%
Exam 3	25%

**Test Policy:**

Calculators and communication devices are not allowed during exams. If copying is detected between two exams then both exams will receive a score of zero. Further issues will be referred to the Undergraduate Honor Council.
