

**Location:**

Lakeside Village 1090  
TuTh 11:00 AM – 12:15 PM

**Course Webpage:**

All course information will be posted on Blackboard.  
Most of the course materials will also be mirrored on my personal webpage:  
<http://www.math.miami.edu/~armstrong/309fa22.php>

**Office Hours:**

TuWTh 3:00–4:00PM via Zoom  
I am also available via email for questions and to schedule one-on-one appointments:  
[armstrong@math.miami.edu](mailto:armstrong@math.miami.edu)  
I do not respond to email in the evening or morning before an assignment is due.

**Textbook:**

No textbook is required. I will post my own course notes on the webpage. For extra reading I recommend *Applied Combinatorics* by Alan Tucker, any edition.

**Homework Policy:**

There will be a homework assignment due approximately every two weeks. You may collaborate with other students but the solutions must be *explained in your own words*. Points will not be given for identical copies. **No late homework will be accepted.**

**Grading Policy:**

Your grade will be based on homework and three in-class exams:

Homework	25%
Exam 1 (Tues Sept 27)	25%
Exam 2 (Thurs Nov 3)	25%
Exam 3 (Tues Dec 6)	25%

No extra credit will be given.

**Exam Policy:**

Calculators and communication devices are not allowed on exams. If there is evidence of copying or collaboration then the exam will receive a score of zero and the incident will be referred to the UM Honor Council.

**Covid Policy:**

The University of Miami recommends that masks be worn indoors.
